This is futhur correspondence about the jacket that was lost in transit.

Mr J.E.Brodean of The Railway Express Co, South Broad and Pointer Sts, Newark N.J., called to see me and inspect the package that had been opened. He left the enclosed form to be filled out and sent to him (680)

He also requested a copy of the letter I sent you June 1st, showing the claim had been started before time expired. I am sending him a copy of that letter today.

I wrote you I received the duplicate jacket. Thank you for same. I hope this will take care of the matter and the claim were be taken care of. Let me know if thereis any thing else for me to do.

Very Truly Yours
